**Broad Based Black Economic Empowerment Status of LARSON FALCONER  
HASSAN PARSEE INC**

Larson Falconer Hassan Parsee INC has engaged the services of BEE Business Partners to facilitate their pending B-BBEE audit and certification through a SANAS Accredited Verification Agency.

We, together with the Management team of the company are reviewing the various options available to maximise the BBBEE Status of the business. We have recently completed various initiatives to achieve same scoring, and a Verification audit will be scheduled with a SANAS accredited verification agency to confirm same, and to issue the BBBEE Certificate of Compliancy.

We envisage that this certificate will be issued by no later than end May 2025.
